Dear Mr. Bradford,

The Town of Brooklet mayor and council held a called meeting Tuesday, May 18, 2010 to decide how to make amends of the confusion and distress caused from the incident on Monday February 15, 2010. A letter dated April 1, 2010 was sent to you stating there was an illegal connection on your property to the city's water system. We have done some research over the past few weeks and determined this information we received was false. Also the minutes of a workshop of March 11, 2010 stated that the broken water line was tapped in without permission from the city. This information was also incorrect.

We are contacting our Insurance Company, "Gallagher Bassett Service, Inc." to handle this matter. Someone from this company may contact you in the near future.

We, the mayor and council of the Town of Brooklet are sorry for all the hard feelings and confusion caused and hope you will accept our apologies.

Very Truly Yours,

*Joe Grooms*

Joe Grooms,  
Mayor
